## G203 PRODIGY

## CLASSIC DESIGN

G203 is inspired by the classic design of the legendary Logitech G100S Gaming Mouse. Beloved by gamers worldwide and a favorite of esports pros, it's a classic design that we've re-engineered and optimized from the inside-out to be lightweight, durable and comfortable.

## G203 PRODIGY

## MECHANICAL BUTTON TENSIONING

Mechanical button tensioning uses metal springs to help keep the left and right mouse buttons primed to click, reducing the force needed. Combined with individual left and right buttons, it enhances the consistency and delivers exceptional click feel and response.

## G203 PRODIGY

## LIGHTSYNC RGB

LIGHTSYNC technology provides next-gen RGB lighting that synchronizes lighting and game profiles with your content. Customize from a full spectrum of approximately 16.8 million colors and synchronize lighting animations and effects with your other Logitech G devices. Customize it all quickly and easily using Logitech G HUB.
